Prohibited Practices

- Corporal punishment
- Physical restraint of the child, such as confining to a high chair, car seat, stroller, or other device for the purposes of discipline or in lieu of supervision
- Locking the exits of a child care centre for the purpose of confining the child, or confining the child in an area or room without adult supervision, unless such confinement occurs during an emergency and is required as part of the licensee's emergency management policies and procedures
- Use of harsh or degrading measures or threats or use of derogatory language directed at or used in the presence of a child that would humiliate, shame or frighten the child or undermine his or her self-respect, dignity or self worth.
- Depriving the child of basic needs including food, drink, shelter, sleep, toilet use, clothing or bedding or inflicting any bodily harm on children including making the children eat or drink against their will.

BEHAVIOUR MANAGEMENT POLICY

These policies must be understood and agreed to before you actively participate as a sharing parent. The Elora Co-operative Pre-school believes that discipline should be:

- . related to the nature of the troublesome behaviour
- . appropriate to the developmental level of the child
- . used in a positive and consistent manner
- . designed to assist the child to learn appropriate behaviours
- . implemented as soon as possible after troublesome behaviour
- . discussed with a parent if a difficult situation arises

The Elora Co-operative Pre-school does not permit corporal punishment of any child; deliberate, harsh or degrading measures to be used on a child that would humiliate a child or undermine a child's self respect; or

deprivation of a child of basic needs including food, shelter, clothing or bedding. No child shall ever be confined in a locked space. No child shall be forced to consume liquids or food against their will.

BEHAVIOUR GUIDANCE

The staff at Elora Co-operative Pre-school uses a 1,2,3 method of behavior guidance:

1. The child is reminded of the acceptable behavior in a situation
2. The child is advised that there will be a consequence if the behavior persists - the type of consequence is discussed
3. The consequence is acted upon

If there is a persistent problem staff will discuss strategies. Parents will be called in to discuss these new strategies, give input, and be involved in the guiding of their child.

If the child is, or becomes a serious threat to the safety or well being of the other children the child may be asked to leave the program.
